

Subject: Invitation for quotation for procurement of **500 kg of Bottle-Grade PET Resin** - Reg.

Nexa Materials Private Limited invites bids from prospective suppliers for the procurement of **500 kg of bottle-grade PET resin** required for manufacturing and development activities. The material must be suitable for food-contact applications and must be supported by valid **FDA food-contact certification / compliance documentation**.

A. Quotation submission procedure:

1. The bid is to be submitted as a soft copy in PDF format to: **procurement@nexamaterials.example**.
2. The quotation should be submitted as a single PDF containing the quotation, technical compliance statement, product datasheet, FDA food-contact certification / compliance evidence, and applicable commercial terms.
3. The subject of the email should be "**Bid for Procurement of 500 kg Bottle-Grade PET Resin**". The covering email should include the bidder's contact person, mobile number, email ID, and registered business details.
4. Bidders shall clearly mention the quoted unit price, total price, applicable taxes / duties, delivery commitment, product grade, and certification details.
5. Bids received after the specified closing time may be treated as late and may not be considered.

B. Terms and conditions:

1. The bidder shall submit a complete quotation covering the entire requirement of **500 kg** bottle-grade PET resin.
2. The quoted material must be **FDA food-contact certified / compliant** and the bidder shall provide supporting certification or declaration documents with the bid.
3. **Last date & time for submission:** 08th October 2026 at 10:00 AM.
4. **Bid opening:** 08th October 2026 at 11:00 AM, through the procurement committee of Nexa Materials Private Limited.
5. The bidder shall provide a technical compliance declaration confirming conformity with every requirement in Annexure-A.

C. Additional terms and conditions:

- a. **Scope:** Supply of 500 kg bottle-grade PET resin.
- b. **Material certification:** FDA food-contact certified / compliant documentation mandatory.
- c. **Offer validity:** 30 days from the bid closing date.
- d. **Delivery:** Material shall be delivered within **14 days** from the date of issue of the Purchase Order.

e. Delay: In case an extension is formally granted, liquidated damages of 1% per week or part thereof on the delayed portion may be applied.

f. Payment: Within 30 days of final acceptance of the material and receipt of complete invoice and certification documents.

g. Budget ceiling: USD 1,200 total for the complete 500 kg requirement, inclusive of all applicable charges.

h. Inspection and acceptance: Material may be inspected on receipt for quantity, packaging condition, resin grade, and documentary compliance. Final acceptance will be based on conformity with the purchase order and submitted specification.

i. Packaging: PET resin shall be supplied in clean, intact, moisture-protected packaging suitable for transport and storage.

j. Traceability: Batch / lot number, manufacturing date, product grade, and certification reference shall be identifiable on the packaging or accompanying documents.

k. No additional charges: Charges not included in the submitted quotation shall not be payable unless specifically approved in writing by the purchaser.

l. Substitution: No change in resin grade, manufacturer, or specification shall be made without prior written approval.

D. Format of Quotation: Bidders shall submit a quotation as per the given format in Annexure - 2, on the bidder's letterhead. The quotation shall clearly state the product make / manufacturer / grade, technical specifications, quantity, unit price, applicable taxes, and total quoted price.

E. Technical Specifications in Annexure-A

Procurement of Bottle-Grade PET Resin

The supplier is requested to quote for the following material. The bidder shall provide the exact product grade / manufacturer reference and supporting certification documents.

1. **Material:** Bottle-grade polyethylene terephthalate (PET) resin suitable for manufacturing food-contact bottles and containers.
2. **Quantity:** 500 kg.
3. **Application:** Food-contact packaging / bottle manufacturing.
4. **Food-contact requirement:** Product shall be supported by valid FDA food-contact certification / compliance documentation for the stated intended use.
5. **Product documentation:** Manufacturer datasheet / technical data sheet shall be submitted with the quotation.
6. **Traceability:** Batch / lot identification and manufacturer reference shall be available for the supplied material.
7. **Certificate of analysis:** A certificate of analysis or equivalent quality document shall be provided for the quoted resin grade.
8. **Packaging:** Moisture-protected, clean and intact packaging suitable for transport and storage.
9. **Delivery:** Complete quantity to be delivered within 14 days from issue of Purchase Order.
10. **Budget ceiling:** The total quoted price shall be within USD 1,200 for 500 kg, inclusive of applicable charges.

Note:- The quoted item shall conform to the required technical specifications, intended food-contact application, packaging requirements, performance requirements, and certification requirements stated above.

CERTIFICATE / BIDDER DECLARATION*(To be given on the letterhead of the bidder)*

No. _____

Dated: _____

1. Technical Compliance Declaration

I / We have carefully read the tender document for procurement of **500 kg of bottle-grade PET resin** and hereby certify that the product offered in our quotation complies with the technical specifications and delivery requirements stated in Annexure-A.

2. Food-Contact Certification

I / We hereby certify that the quoted PET resin is intended for food-contact applications and is supported by valid **FDA food-contact certification / compliance documentation**. Copies of the relevant documents are attached with the bid and the batch / product identification details can be provided for verification.

3. Commercial Declaration

I / We certify that the total price quoted for the complete quantity shall not exceed the stated budget ceiling unless otherwise approved in writing, and that the quoted offer shall remain valid for the period specified in the tender.

4. Delivery Commitment

I / We undertake to deliver the complete quantity within **14 days from the date of issue of the Purchase Order**. Any anticipated delay shall be communicated immediately with reasons and a revised delivery commitment.

Certification / Document Reference: _____**Manufacturer / Brand:** _____**Place:** _____**Date:** _____**Seal:** _____**Signature of the Tenderer / Authorized****Signatory****Name & Designation:**
